

# Corporate Policy: Safety

## Policy Statement

Exelon Corporation is Dedicated to Safety and will operate all aspects of its businesses in a manner that protects the safety and health of its employees, contractors, customers and the general public.

We will strive to continuously improve our performance and foster a safety culture that engages the entire workforce, to prevent accidents, injuries and occupational illnesses.

## Policy Intent

Exelon shall:

Comply with and strive to exceed all applicable health and safety laws and
